

Teachers required for September

Our children are looking for a fantastic teacher to help them achieve our aims of academic, sporting and musical excellence.

Our motto is '*Growing together in mind, body and spirit*'. If you share this ethos, want to achieve high standards for yourself and for the pupils, then we are the school for you!

We have very well behaved and enthusiastic learners, a fantastic and involved school community, a strong team of staff, high standards, fantastic resources, and a fun and engaging curriculum.

Positions

We are looking for two class teachers. We have one permanent position, and one temporary position, which could become permanent depending on funding.

- 1) We are looking for a permanent teacher. *We would like a practitioner for our Reception/Year 1 class, or for a class in lower Key Stage 2, depending on applicant skill and experience.*
- 2) We are looking for a temporary teacher, to work with a small class of year 5 children, alongside our experienced year 5 teacher. *This position will be temporary in the first instance, but depending on funding, might become permanent.*

All applicants must be willing to work across the school.

What we are looking for?

- Great teachers, who can create **engaging and memorable learning sequences** for *all* children.
- Highly **reflective** teachers, who want to learn how to improve their practice.
- **Leaders**, who want to develop their specialist skills inside and out of the classroom.
- **Team players**, willing to go the extra mile for children, families and colleagues.

About the school – what you get from us

Please visit [our website](#), view our blogs and our newsletters to get a good idea of what happens at our school.....because there are always lots of things going on!

We are a growing primary school (10 classes) situated in the beautiful seaside location of Budleigh Salterton, Devon. Our locality has so much to offer: the seaside, the river, woodland, fantastic community groups and much more.

We are rated by OFSTED and SIAMS as a 'good' school, with improving standards and an aspiration to be a 'great' school.

Our site has lots of resources, including a swimming pool, an award-winning science garden, a large field and playground, and much more!

Our children are warm, polite, friendly and developing in a positive learning culture. We believe in positive relationships and self-discipline.

We are committed to providing our staff with opportunities to grow as teachers and as learners. You will be welcomed into a friendly, caring and experienced team of professionals. Our devotion to continual professional development includes regular training, but with a focus on coaching and mentoring. You will receive a laptop and a tablet to help you manage your work.

We also have a policy to support the well-being of teachers. Our two NQTs last year rated their workload as 9 out of 10 (10 being very good).

We strongly advise you to visit us for a tour with the Headteacher to enable you to get a real flavour for the atmosphere and vision for the school.

Please phone/email and book onto one of the following dates/times:

- Thursday 23rd May at 5:30pm.
- Friday 24th May at 11am.
- Monday 3rd June at 5:30pm.
